## **Lane Restrictions**

I-80 west of IL 23

Ottawa, IL – The Illinois Department of Transportation announces that there will be lane restrictions on I-80, just west of Illinois 23.

A \$278,256.00 contract to repaint the East 16th Road (Airport Road) bridge over I-80 has been awarded to Three Star Painting, Incorporated of Merrillville, Indiana.

To facilitate work, one lane of I-80 will be closed in each direction below the bridge.

The contract work is expected to be complete by Independence Day weekend. Delays are expected. Motorists are urged to use caution when approaching and travelling through the work zone. US Route 6 between Ottawa and Utica is suggested as an alternate route.
